Additional soccer balls may be purchased for \$19 or \$30, depending on the ball purchased.

### **Personal Needs**

Please bring flat soled shoes, shin guards, soccer cleats & water.

### **Daily Schedule**

A new topic will be introduced each day before the camp begins, followed by daily contests, prizes and games. Parents are encouraged to attend!

### **Sponsors**

Special thanks to: Pizza Hut, Grand Avenue Dental Care, Mickeys, Errea Soccer and Sporteck Soccer for their continued support.

### **Camp Objectives**

#### **Individual Ball Control**

As a camper you will be presented with a variety of ball control skills each day! Proper technique will be shown using a 1v1 format for all ages. Feints, fakes, cuts, drags, step overs & scissors are some of the technical skills emphasized.

#### **Team Offense**

Off the ball movement, 3rd player running, and proper positioning are stressed starting with a 2v1 format. Proper spacing, collecting & turning with the ball will be emphasized. The 2v1 model will gradually build each day to become a 5v5 model by Thursday.

#### **Team Defense**

Team & individual defense will be presented with a slightly different twist. Pressure, cover & support will be covered. What you do without the ball, & how you do it, effects both your team & your opponent. Getting your opponent to dribble & pass the ball where you want them to go is huge!

#### **Awards**

By the time the 'Bird Camp' ends, you will have been introduced to the various topics mentioned above through integrated small sided soccer games that will make your week a fun filled learning experience. Awards will be presented after Fridays games to select individuals.
