

Purpose

The purpose of the HSC Academy is to provide additional training opportunities for individual HSC recreational players who seek more chances to play soccer. These training opportunities will offer a higher level of coaching than what our recreational soccer program is designed to provide. The goal is to maximize skill development in a fun and enjoyable atmosphere.

The player will continue to play and practice with his/her recreational team and stay with that team throughout the course of the fall and spring season.

Enrollment

The only requirement for participation in this program is the interest and ability to make the additional time commitment to the HSC Academy program, and to fulfill your commitment to the recreational program. There is no tryout session. Application into the program is open to all players who desire to participate and are the proper birth date. This program is designed for the 7 - 11 age group. Please enroll early, as we are looking for a range of only twenty players.

Teams & Training

This program does not require an individual to leave their current recreational team. Players will train once a week with a H.U.S.C Academy staff member and also with their recreational team. Each player should bring a soccer ball, properly inflated, cleats, shin guards and water to each 75 minute training session.

Playing Model

Technical skills will be developed through individual ball control. The game itself will then be taught based on the 4v4 --> 6v6 model.

Academy Fee

At this time, the fee is \$50 per player, which is for fall/spring 2011/2012 sessions. This includes all practices and scrimmages, and indoor futsal sessions, if any. Checks should be made out to the Hartford Sideliners Soccer Club and mailed to 5840 Park Lane, Hartford, Wisconsin, 53027.

Practices Times

Practices will be held mostly on Fridays, 5:00 - 6:15. Various select coaches will be conducting the practices so that the players can experience different approaches and ideas. I will contact you when they start.

Questions

Please feel free to contact me with any questions at: 262-224-5052.

Thank you,

Jack De Selm
Director of Coaching

HARTFORD SOCCER ACADEMY
